OUR SCHOOL

Moore Square Magnet Middle School is a Wake County public school located in the heart of downtown Raleigh on Moore Square. As a gifted and talented magnet, Moore Square Magnet Middle School draws hundreds of families to Downtown Raleigh from every part of Wake County.

Middle school is often the first (and sometimes only) opportunity for many school children to experience an arts curriculum. Our dedicated Arts Teachers at Moore Square work incredibly hard to offer a broad selection of instrumental and vocal music, theatre, dance and visual arts classes, so that each child can explore the arts.

In many ways, Moore Square's Arts Teachers are planting the seeds for the next generation of creative, thoughtful leaders in our community. **However, our Arts Teachers' greatest challenge is the scarcity of arts funding in our public schools.** That's where we hope that you, our community partners, can step in as Corporate Sponsors to help us support Moore Square's school children and Arts Teachers!

OUR BOOSTERS

The Moore Square Arts Boosters Foundation works with parents, community partners and Corporate Sponsors to provide financial support for all of Moore Square's visual arts, instrumental and vocal music, dance and theatre arts programs. We hope you will join us as a community partner and Corporate Sponsor to give our Moore Square student artists the boost they need to succeed!
